YOUR SUPPORT EVENS THE SCORE

What if we could prepare every student in school for what can cost thousands of dollars outside of school?

We can.

Your support makes preparation equitable.
Would you take the driver’s license exam without reading the manual? What if you couldn’t even get a copy of the manual? We believe that preparation is every student’s right, not a privilege for a select few.

Your support adds capacity.
CollegeSpring provides all the materials, training, and coaching schools need to deliver the program to every student in the junior class, allowing classroom teachers to do what they do best: teach.

Your support builds Test Confidence.
Students grow their knowledge, skills, and motivation while in the program, developing Test Confidence: a feeling of readiness and determination for the SAT that demonstrates what’s possible when Preparation for All is the standard.

Confidence Builder • $2,500
Teacher's Champion • $7,500
One Classroom • $15,000
Leadership Circle • $25,000
